WHY TONY IS STANDING

**The established parties have chosen not to stand.
But Clacton's voters are not a political stunt.**

Our community deserves a real choice and a representative who listens, understands, and works for you – not for party interests or political games.

OUR COMMUNITY DESERVES:

A REAL CHOICE – Someone who puts Clacton first

A REPRESENTATIVE WHO LISTENS – Your voice matters

PRACTICAL SOLUTIONS – For the challenges we face every day

POLITICS BASED ON SERVICE – Not division, not ego, not career politics

MY FAITH INSPIRES ME TO SERVE EVERYONE.

Faith guides how I serve;
it does not decide who I serve.
